CHAPTER 1 - THE THRIFTY TAILOR

Word meanings:-

1. **Thrifty**:- using money and other resources carefully and wastefully.
2. **Recycle**:-process in which an item or its components are used to create something new.
3. **Reuse**:- items that are discarded and broken down into raw material.

Answer the following questions:-

1. **Who lived in a village? What did he not have for winter?**
A) A poor tailor lived in the village. He had no warm clothes to wear during the winter.
2. **What did the tailor do to buy a piece of cloth?**
A) The poor tailor saved money bit by bit so that he had enough money to buy a piece of cloth so that he could make a long warm coat for himself.
3. **What did he do with a large part of the cloth?**
A) He cut the long coat and made a jacket for himself and wore it every day until it was all worn out.
4. **With what did he make a vest?**
A) When he made the jacket he saw that there was just enough to make a vest. So he cut up the jacket and made a vest which he wore until it was worn out.
5. **What did he make with the tiny bit of cloth left after making the vest?**
A) After making the vest a bit of cloth was left so he made a hat out of it. He wore the hat indoors and outdoors and wore it until it was worn out.
6. **Write down and draw the things which the tailor had made in order?**
A)
 1. A piece of cloth
 2. Warm coat
 3. Jacket
 4. Button
 5. Hat
 6. Vest

(Kindly draw the pictures beside the names)

7. **Mention any six ways how you can avoid wastage of things.**
 - a) Do not tear paper from the notebook to play with them.
 - b) Donot serve yourself more than what you can eat.
 - c) Turn off taps tightly after use.
 - d) Switch off fans and lights when you leave a room.
 - e) Reuse as many items as you can.
 - f) Carry cloth bags with you to the market.

8. What is the moral of the story?

- A) The moral of the story is to teach children the importance of not wasting anything. Wastage of any kind is wrong whether be it money, food, water, electricity, clothes, toys or books. We must not throw anything that we can recycle or reuse .we all need to be aware that resources have to be conserved.
