**Q7. Why did poet's brother create the robot ? Did the robot do what he wanted to do?**

**Ans :** Poet's brother created the robot so that the robot can help them in their household work that means cleaning the toilet making their beds tidying their rooms emptying trash cans, sorting laundry dusting ,watering plants caring for pets.

Robot was out of the order. Could not performed all the expected works in their houses instead of doing the correct things he has done all wrong things.

**Q8. Was it a good idea to create the robot? What should the brother have done instead?**

**Ans:** The idea was very good to create a robot because in many fields in our life in science and technology fields. robots can do a wonderful work but machine is after all a machine when it becomes out of order the things which we are expecting will not be the same so that they cannot perform good work all the time.

In this story poet's brother should have self confident instead of depending for all the works on robot. The poet's brother should have be self dependent having knowledge and skill.

**Q8. What lesson do we learn from this poem?**

**Ans.** In this poem we can learn to stand on our own feet. We should have responsible and self-reliant in our work. We should do our household work by own. We should not be dependent for our works on others.
